

# Playing golf at Warwick

Members can use the course at any time, except when it is closed for club competitions and tournaments. A \$3.00 water levy is payable by members for each social use of the course. You can also enter official Warwick Golf Club competitions for which you are eligible (a GolfLink handicap is required and competition fees apply).

## OBTAINING A HANDICAP

There is no obligation to obtain a handicap, however you will need one to play in any club competition. To obtain a handicap you must return three scorecards that have been marked by another member.

Warwick Golf Club is a member of GolfLink, the national handicapping system. On obtaining your handicap, you will receive a GolfLink card, which can be used to register your handicap at any club within Australia.

## COMPETITIONS and EVENTS

Warwick Golf Club has a full and varied program of events during the year. You are welcome to join in. Major events include the club championships, single and doubles knockout (match play). There are also trophies based on events during the year, plus a medal event every month.

## EVENTS PROCEDURE

To play in most events at Warwick Golf Club, please arrive at the course at the listed time, and register by paying the competition fee. You will be grouped with two or three other players, one of whose card you will be asked to mark. Be prepared to hit off at the nominated tee when called. Some competitions during the year, such as the annual tournament, require prior registration. These are advertised in the program or on the notice board in the clubhouse.

## RULES OF GOLF

Like all golf clubs, Warwick Golf Club plays according to the rules established by the Royal & Ancient Golf Club of St Andrews and the United States Golf Association.

You will receive the Player's Edition of the Rules of Golf 2019 when you join but the club realises that it may take time for new golfers to become familiar with all the rules. Feel free to ask other members or officials about any rules that you may not understand. There is also a wealth of online resources freely available.

## DRESS CODE

The dress rules at Warwick Golf Club are generally relaxed, however, a few standards do apply.

- Jeans are OK if they are of an acceptable dress standard i.e. must not be dirty, torn or tattered.
- Shorts of dress standard with sports socks are acceptable.
- Men's shirts worn during competitions must have collars and sleeves
- Singlets, football jumpers, thongs or similar are not acceptable on the course or in the clubhouse.
- Footwear worn during competition must not be of a type that may damage the course, especially the greens.

**ETIQUETTE** Good etiquette is meant to maximise the safety of golfers, keep play moving at a reasonable pace and to keep the course in good condition. Always aim to keep up with the group ahead of you.

The general rule is that you should treat others as you would like to be treated. This includes not distracting others who are about to play a shot, or unduly causing delay to your fellow players and any following groups.

## SMOKE FREE AREA

The whole of the clubhouse interior has been designated a smoke-free area along with alternating holes on the course.
