

PLAYING GOLF AT WARWICK

Competition days for all members are Wednesday and Saturday. An **online timesheet** applies for both competitions and for social use of the course. Once a Golf Link number has been assigned to you, access to the timesheet will be possible. To **obtain a handicap** three scorecards that have been marked by another member are to be given to the Pro Shop or either Club Captain.

There is a full and varied program of events during the year for both men and women which you are welcome to nominate in. Full financial members are eligible for Honour Board events and Monthly Medals. Event programs will be emailed to you following your approval as a member. Programs are also posted on the noticeboard near the Pro Shop.

To use the course socially, a fee is payable to the Pro Shop prior to playing. This fee depends on your membership type.

Like all golf clubs, Warwick Golf Club plays according to the rules established by the Royal & Ancient Golf Club of St Andrews and the United States Golf Association. You will receive the **Player's Edition of the Rules of Golf 2019** when you join but the club realises that it may take time for new golfers to become familiar with all the rules. Please ask fellow members for assistance anytime.

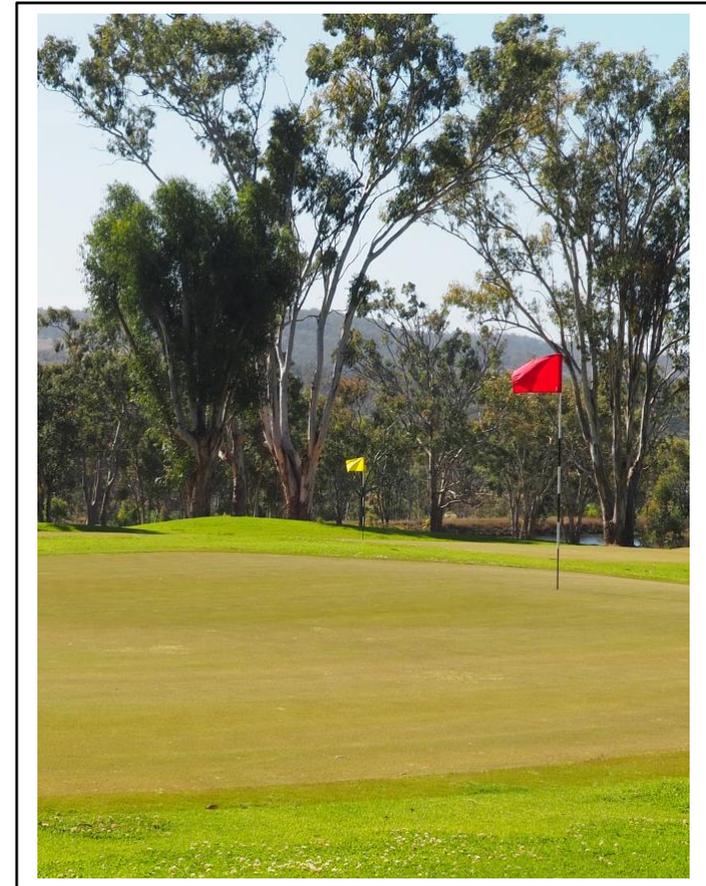

The **dress rules** at Warwick Golf Club are generally relaxed, however, a few standards do apply. Jeans are OK if they are of an acceptable dress standard. Men's shirts worn during competitions must have collars and sleeves. Singlets, football jumpers, thongs or similar are not acceptable on the course or in the clubhouse. Footwear worn during competition must not be of a type that may damage the course, especially the greens.

The members look forward to welcoming you to our club. Please phone any of our contacts if you would like any more information on any aspect of club membership.
